2023 Annual Financial Report

VETERANS COLLABORATIVE

Cherishing a Year of Collaboration and Impact

As we reflect on the past year, Veterans Collaborative takes immense pride in presenting our Annual Impact Statement – a testament to the collective achievements resulting from collaboration, unwavering dedication, and a shared commitment to empower Veterans, service members, and families. This Statement of Activities encapsulates the strides made in fostering positive change, building networks, and providing essential support to our Veteran and military communities.
Mission Recap:

Veterans Collaborative remains steadfast in its mission to create a unified network that connects local nonprofits to critical funding, amplifies community resources and impact, and shares stories of resilience. Throughout the year, we've harnessed the power of collaboration and philanthropy to empower Veterans, service members, families, and those dedicated to serving them.

Key Achievements:

Partner and Grantmaking Services: Through our Funds, we served as strategic philanthropic investors to NGOs serving our Veteran and military communities— establishing the connection between our Partners, the donors, and local changemakers, the doers. Our focus— the 92% of NGOs with operating budgets under $1M, each doing incredible work at the grassroots level. Unfortunately, these unsung heroes often lack access to national charitable funds due to restrictive giving and grantmaking practices. Consequently, these organizations, the driving force for positive change in communities across our Nation, receive less than a quarter of all charitable dollars and have little access to grants and charitable opportunities beyond their local communities— until now.

We are bridging this crucial funding gap one Partner at a time, and we take immense pride in serving both existing Partners and our grantees through our innovative VETCheck program, strategic funds, and grantmaking services! Our efforts have extended even further, connecting with organizations that operate on budgets under $250K (62%) and those with budgets under $50K (25%). This initiative entailed a thorough review and elevation of these outstanding organizations, fostering a win-win scenario. And this is just the beginning!

Fiscal Sponsorships: In our unwavering commitment to uplift charitable initiatives founded by or serving the Veteran/military community, we take great pride in providing fiscal sponsorships. Under our oversight, we proudly stand as the only fiscal sponsorship tailored specifically for our community. Here are the projects we wholeheartedly believe in: "Brothers," ProtectED, Bugle, and US Ukraine Veterans Bridge Educational Fund – each spearheaded by Veterans and making a significant impact in the world.

Veteran Labs: We have championed innovative programs like Veteran Reality (a VR game for mental health and wellness) and established Academy X (a Veteran-led STEM program connecting students in underserved schools to tier 1 institutions). These programs underscore our commitment to building resources, community, and opportunities for the public good.

Engaging the Community: Throughout the year, Veterans Collaborative has been dynamically involved with Partners, community resources, Veterans, spouses, service members, and those in need. By leveraging our tools Radar and VETCheck, participating in conferences and workshops, and engaging with Partners and donors, we have fostered discussions on collaborative solutions to overcome challenges and enhanced community resilience. Every interaction has been cherished, contributing significantly to the development of a strong network that provides support, encouragement, and opportunities. We are living our mission to Advise. Connect. and Serve each day.

Acknowledging Our Partners:
We extend our deepest gratitude to our Partners and donors who have played a pivotal role in propelling our mission forward, giving a generous $325K (YTD) in our first year of operations to our Funds and Veteran Fiscal Projects. In return, we've proudly awarded nearly $300K (YTD)— 92% of our gross revenue to Veteran serving organizations and charitable projects. Together, we have reached significant milestones, aligning with our dedication to unlock doors to charitable opportunities and leverage philanthropic investments for impactful initiatives in areas such as Veteran Mental Wellness and Suicide Prevention, Family Services, Transition, Employment and Financial Wellness, and Veteran Charitable Projects. This collective effort is creating enduring positive change for our Veteran and military communities!

Looking Ahead:
As we stand at the threshold of a new year, Veterans Collaborative is poised for continued growth, collaboration, and impact. We are growing our team, expanding our reach, forging new Partnerships- donors that are aligned with our mission, learning from our network, telling important stories through our guest contributors on SITREP, and exploring innovative ways to empower and uplift our Veteran and military communities. In closing, we express our heartfelt gratitude to everyone who has played a vital role in the success of Veterans Collaborative and our meaningful mission. Your support has been instrumental in our journey, and we invite you to join us in the exciting chapters that lie ahead!

Organization

Veterans Collaborative is an incorporated nonprofit in the Commonwealth of Virginia and a registered 501(c)(3) by the Internal Revenue Service that serves active-duty service members, Veterans, and their families by leveraging resources and capabilities to strengthen accessibility to vital support and opportunity through a centralized network.

The Founder of Veterans Collaborative is Natalie Worthan. The organization's board is comprised of three members and seven Advisors.

Veterans Collaborative is funded by private donations and grants. The role of the Organization is to elevate access to critical resources and charitable opportunities at the local level for the target communities. This is achieved by addressing crucial funding gaps for the 92% of nonprofits with operating budgets under $1M, recognizing this segment often lacks access to national funding opportunities. In addition, the Organization sponsors aligned charitable projects and initiatives founded by Veterans and service members. By focusing efforts on supporting grassroots initiatives and smaller nonprofits, Veterans Collaborative aims to ensure that Veterans, service members, and their families receive the support they need to thrive in their communities.

Strategic Activities

(a) Fiscal Sponsorships

Through Fiscal Sponsorship, Veterans Collaborative empowers projects initiated by or dedicated to military, veterans, and families to access charitable opportunities and build capacity, allowing them to concentrate on their essential mission. Veterans Collaborative selectively engages with charitable initiatives that align with the mission to support and serve military service members, Veterans, and families. Funds generated through donations to fiscally sponsored projects are reinvested into those projects' charitable activities.

(b) Targeted Funds

Veterans Collaborative bridges the funding gap between donors and charitable initiatives and NGOs serving veterans, service members, and families at the local level through strategic and equitable grantmaking from targeted funds. These funds focus on health and wellness, family services, and transition and financial Wellness.

Summary of Significant Accounting Policies

(a) Basis of Financial Presentation

The accompanying financial statements present the financial position and changes in net assets, functional expenses and cashflows of the Organization. These have been prepared on the accrual basis of accounting.

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Without Donor Restrictions – Net assets that are not subject to any donor-imposed stipulations.

With Donor Restrictions – Net assets subject to donor-imposed restrictions on their use that may be met either by actions of the Organization or the passage of time or other legal restrictions requiring that the principal be maintained permanently by the Organization. Generally, the donors permit the Organization to use all or part of the income earned for either general or donor-specified purposes.

(b) Measure of Operations

The Organization's measure of operations as presented in the statement of activities primarily includes operating revenue from individual and corporate contributions and other revenues. The measure of operations includes support for operating activities from both donor-restricted and without donor restrictions sources. The Organization currently does not have any non-operating activities.

(c) Summarized Comparative Information

This fiscal year is Organization's first year of operations and therefore have not presented any comparative financial information.

(d) Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities in the financial statements. Estimates and assumptions may also affect disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses. Actual results could differ from management's estimates.

(e) Revenue Recognition

Revenue from contributions are recognized as revenue in the period the Organization receives any direct cash donation or any unconditional promises to give cash accepted by the Organization. Such contributions received are recorded as net assets without donor-restrictions or net assets with donor restrictions. Contributions with donor restrictions are reported as increase in net assets with donor restrictions. When restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions of non-financial assets are recorded at their estimated fair value at the date of the contribution.

Conditional promises to give are not recognized until they become unconditional, the Organization did not have any unconditional promises to give as of December 31, 2023.

(f) Functional Allocation of Expenses

The statement of functional expenses presents expenses by function and natural classification. Expenses directly attributable to a specific functional area of Organization are reported as expenses of those functional areas.

A portion of general and administrative costs that benefit multiple functional areas (indirect costs) have been allocated across programs and other supporting services based on the proportion of full-time employee equivalents of a program or other supporting service versus the total organizational full-time employee equivalents with a modification, based on select periodic time studies, that adjusts the general formula for the time of some employees who are directly engaged in work related to multiple functional areas.
